A Chapter of the Antique Automobile Club of America

East Boston Savings Bank, in addition to their sponsorship of our Regional Meet, will purchase the trophies for Lars Andersen Show this year – we extremely grateful! We are working on a club calendar and there is a preliminary list of club events listed elsewhere in this newsletter. Our first scheduled general meeting will be March 21 at Bill Semple's garage (Truck Museum) in Hudson, MA. We also will have the first club tour scheduled for May 10, 2015.

I am setting up our EVENTS committee. Co chairs Sam DeMarco and Doug Reinbold and have asked Ed Green and Steve Pini to be committee members with Don Goddard to cover the western part of our region.

Recap – Combined Meet with the Cadillac LaSalle Club Saturday, September 13, 2014

The combined Meet with the New England Region of the Cadillac La Salle Club was a great success.

There were approximately 40 vintage cars in attendance along with another 10 or 15 modern vehicles.

Peter Telis and his wife of Wilmington MA were hosts for the

get together. The Dual Meet concept has worked out great for the Bean Pot Region as we have typically had around 40 vehicles attending the meetings versus about 20 with a single club meet.

The Dual Meets also gives member a chance to meet new people and view new cars. It also helps the finances of both clubs as expenses are shared.

Members started arriving well before 10 o'clock and the meet broke up a little after 2 PM. A cookout was held Hot Dogs and Hamburgers for all. Many thanks to Peter and the New England Region of the Cadillac La Salle Club for a great day.

It was agreed that Dean Zwicker and John Viera would arrange for a tour in the southern part of the state on May 10, 2015. It is important to have our meets and events in all parts of the state.
