Bill Semple's POP'S Garage Hudson, MA – Meeting Recap ***Saturday, March 21, 2015***

A snowstorm on Saturday morning made the traveling less than ideal, still we had over 20 members attend. Joe Viera and Dean Zwicker presented information on the club's first tour-scheduled rain or shine on May 17, 2015. Sandy Angus and Bill Semple lead a discussion on trucks. The meet was held in Bill Semple's Garage a treat for all with some very rare trucks and an outstanding model truck collection. The newly minted flyer for the 3rd annual Bean Pot Show at the Larz Anderson Museum in Brookline on May 31, 2015 was available.

General Membership Meeting – Reinbold Insurance MA – Meeting Recap ***Saturday, April 18, 2015 10 - 11 AM***

Doug Reinbold, Bean Pot Vice President/Secretary hosted the meeting and provided lunch for all at his office in Attleboro. Doug and Aleece will share the responsibilities of the secretary position. Discussed name badges. Officers will get them, optional for paid members. We discussed having shirts and hats with our logo available for sale. John Trotta offered to check into prices.

Doug asked for member feedback on our award-winning newsletter. We had a discussion on whether the membership application should be attached to each edition. Consensus was that it should. Dean Zwicker accepted the position of representative for South Shore area. Dean and John Viera gave information on the upcoming tour in Foxboro on May 17th rain or shine. Dean will do the write up and send to John Burns for member distribution. Mr. Holmes our host is donating the food and the club will purchase dessert. Doug is organizing the table at the South Shore Antique Car Club swap meet on May 2nd. There is room for a member car to be on display and we will have membership information, AACA promotional materials, and Larz Anderson meet flyers for distribution.

Discussion on membership dues. Members generally feel \$30 is comparable to other clubs but that we don't have the expenses some clubs have. Our shows don't generate income and we don't charge for tours and most meets. Doug gave an update on established upcoming meets and requested member ideas for new meets. Calendar will be available on the website and in the next newsletter. Members voted to participate in the Ride for Kids At the Bose Corporation. This is an invitational meet for approximately 50 cars.
