Membership	Alece Pappas	603-893-4702	
Website & Communications	John Burns	978-692-2370	

President's Message

Thanks to all members who made the Larz Anderson meet despite the rain. We will need to talk about planning a rain date for next year. Richard Reinbold won the 50/50 raffle and donated his share to the autism charity. Volunteers received special goody bags from our sponsor East Boston Savings Bank.

Our Amesbury meet, which was scheduled for July 18th has been cancelled due to lack of interest by the show's sponsoring hosts.

See our list of upcoming meets in this newsletter and on our award winning website maintained by webmaster and newsletter editor John Burns www.beanpotaaca.com . All of our events are free to members and most include complimentary refreshments and food. Bring a family member and share the fun!

We are making progress expanding into the southern area of our region. I'm now working on identifying a representative from the western area. Eventually our Bean Pot Region should host national and regional AACA sanctioned meets. This was the dream of organizers Sam Gagliano and I. We wanted our members to benefit from AACA certification right here in our own backyard.

Feel free to contact me with any input or ideas you may have concerning the club. My cell (781) 799-9574 or vaselios@gmail.com.

On Sunday August 23rd we have been invited to participate in the Ride for Kids event at the Bose Corporation in Framingham. This event benefits the pediatric Brain Tumor Foundation medical research and family support programs. There are only 50 parking spots available up on this beautiful scenic mountain road. You must contact me if you are interested in participating.

Bill Pappas

Bean Pot Region AACA Current Calendar of Events

It is a goal of the club to at a minimum have 6 Newsletters and 6 General membership meetings during the calendar year. Listed below is a current list of events planned for 2015. As always, check the www.beanpotaaca.com website for other interesting regional meets and the latest details.

Bean Pot - Little Red School House Meet - Dunstable MA

Saturday, Oct 17, 2015 - 10AM to 2PM

Details for the July and August events are in this newsletter – September and October events will be detailed in the September newsletter.

Bean Pot Newsletter Production

Pictured on the left is Mikey, Bill Pappas' grandson our official newsletter production department. He does a tremendous job of stuffing and sealing envelopes, attaching address/return address labels, and stamps.

It's a job that he enjoys doing, that takes him about 2 ½ hours that he performs nonstop, and it is a big help to the Bean Pot Region.

Thanks again Mikey!!!

Bean Pot Car Tour – Foxboro MA – Recap *Sunday, May 17, 2015*

We had a nice warm sunny day for the first ever car tour run by the Bean Pot Region. Our meeting place was at the Bass Pro Shop in Foxboro, MA, which is located in the shadow of the Patriot's Gillette Stadium. Before we left on the tour, a check was made to insure that none of the tour cars had under inflated tires. Dean Zwicker and Joe Viera planned an excellent route on back roads through some beautiful towns and scenic areas. Doug Reinbold and Joe Viera provided trouble trailer support for the tour. After a long hard winter with the antique cars not being used, we indeed had a couple of cars with problems and the trouble trailer was put to good use.

The highlight of the tour was our destination – the Holmes Bus Services Company. The hospitality of the Holmes family led by Richard and Tim Holmes was truly legendary. We began with a tour of their school bus garage facility with several restored antique school buses commemorating the founding of this family run company in 1932. The bus garage facility itself is amazing, it looks like an old colonial farmhouse from the road, but it is a typical modern industrial style garage building in the back. We also viewed a collection of bus automobilia and a 1933 Chevrolet school bus undergoing restoration.

We followed this up by a viewing some of their John Deere tractor collection, a couple of which were started for us as a demonstration. One of the tractors demonstrated was a large John Deere compound tractor, which uses a gasoline engine to start its diesel engine. Then we all got aboard a narrow gauge railroad train that ran us through the woods and fields to a carriage house where a barbecue was provided by our hosts. There was mid 1930's Ford school bus and a couple of old cars at this location including a super nice 1932 Ford Deluxe 3 window coupe.

We don't have enough room in the newsletter to include enough pictures to do the tour justice, so please check out the Bean Pot Region's website "Photographs" section for about 3 dozen pictures of the event.

The Bean Pot Region had a plaque made to thank our hosts for their outstanding hospitality, which was presented to the Holmes family by club Vice President Doug Reinbold. Pictured from left to right are Tim Holmes, Richard Holmes and Doug Reinbold. The picture was taken by one of the tour leaders Dean Zwicker. Thanks to all involved who made this a most memorable day.

3rd Annual Larz Anderson Bean Pot Meet - Recap

Sunday May 31, 2015

Ominous weather forecasts throughout the week before the show for rain on Sunday proved to be correct. The rain luckily held off for most of the morning except for a few brief showers. The show turnout was down this

year because of the weather forecasts, however the people that showed up had a fun day. We finished the judging a little early so we could hold the awards before the rain was scheduled to start in earnest. We had a great bunch of members who volunteered their services for the meet, and our show sponsor **East Boston Savings Bank** - www.EBSB.com was a tremendous help in putting on the show. Please contact them for your banking needs. During the week prior to the show, the Boston Globe ran a story about Richard Gavegnano President, Chairman and CEO of the bank talking about his interest in antique automobiles that included information about the Larz Anderson show.

We had one young man James Dean Shevuncy Caffray who brought his 1939 Chrysler Royal Sedan to its first ever car show. It was awarded the HPOF Award (Historic Preservation of Original Features). It is encouraging to see a younger person with interest in an older car and it gives one hope for the future of the antique car hobby.

Trophies were awarded before the expected heavy rain in the afternoon. The best of show was awarded to Brian Page for his 1937 Ford DeLuxe Tudor Sedan. The Larz Anderson Award went to Ed Green for his 1959 Chevrolet El Camino pickup. The East Boston Savings Bank Award went to Larry Nivenberg for his 1957 Pontiac Safari wagon. We will publish a complete list of winners on the website in the near future.

We had a 50-50 raffle to benefit autism that was won by Richard Reinbold, the father of our Vice President Doug Reinbold, who most generously donated his winnings to the support of autism.

The Larz Anderson Museum had a new-featured display of antique motorcycles which participants in the car show got to enjoy as part of their registration fee.

Lloyd's Barnyard Meet - 22 Post Road - North Hampton, NH Saturday, July 11, 2015 9 AM to 3 PM

Featuring our matriarchs Ruth Griffin and Priscilla Patrick, this is a free event, lunch will be provided, or bring your own. Bring a homemade dessert for the "contest". The favorite 2 desserts will get an award! We will Pledge Allegiance and honor our servicemen, past and present. We also have a few birthdays to celebrate!

This is a multi-club meet including the Bean Pot Region AACA and the Granite State Region AACA along with other clubs. As anyone who attended last year's Barnyard Meet will attest, it was a very enjoyable low key day. We are also inviting members of the North Shore Old Car Club.

If you have any questions call: Lloyd at 603-964-5215, or Bill Pappas at 781-799-9574

- ❑ Turn left onto NH-151 North - Post Rd
- ❑ Destination - 22 Post Rd, North Hampton, NH 03842 - will be on the left go 0.3 mi

***NE Ride for Kids - Car Show - Bose Corp.
100 The Mountain Road Framingham, MA
Sunday August 23, 2015 9AM to 2PM***

The Bean Pot Region will host a car show in conjunction with the New England Ride for Kids at the Bose Corporation. Every day, 13 children in the United States get the news that they have one of the deadliest forms of childhood cancer. Motorcyclists help fund raise by participating in a Ride for Kids event. Donations benefit the Pediatric Brain Tumor Foundation's medical research and family support programs. The escorted ride starts at 10 a.m. sharp, rain or shine! The ride will loop back to the start point. The Bean Pot Region of the AACA has been asked to coordinate a car show in conjunction with the Ride for Kids Motorcycle ride. This event is open to all antique car owners, you need not be a member of the Bean Pot Region to attend, but you must contact Bill Pappas at as there is limited space available for cars. Further details will be posted in an email blast as the car show details are finalized.

Directions from Interstate 495

- ❑ Take exit 23 from I-495 to Route 9 East towards Framingham
- ❑ Merge onto MA-91. 4.4 mi
- ❑ Turn left onto California Ave, California Ave is just past Upper Gates St 0.4 mi
- ❑ Turn left onto The Mountain Rd.
- ❑ 100 THE MOUNTAIN RD, FRAMINGHAM is on the right.
- ❑ If you reach the end of The Mountain RD you've gone about 0.4 miles too far
