President's Message

Our last meet of the year at the Little Red Schoolhouse was a great success! I am confident we can keep up this momentum under the direction of our new president Doug Reinbold. Doug has scheduled a meeting for all members on January 16th at Panara Bread in Dedham which I hope you will all attend. I would love to see more participation at our events this year- let's have a great 2016 season. Happy New Year to you all!

Check our website often to keep up to date with expanded information about past and future events.

Bill Pappas

General Membership & Planning Meeting

Panara Bread

 Club merchandise
 Plan 2016 calendar of events
 Other old business
 New business

December Newsletter Notes

This is a delayed December 2015 Newsletter whose main purpose is to remind members about our meeting on January 16, 2016. Instead of being mailed in December it was held up until a few days before the January 16th Membership Meeting as a reminder.

The January 2016 Newsletter will be expanded one with all of the decisions taken at the meeting including a club calendar, and among other things announcing dues for 2016. Due to Newsletter, space limitations always check the website for more detailed and possibly updated information. **Look at the website's "Past Events 2015" for the impressive list of both invitational and club sponsored events that we were involved in for 2015.** We have recapped almost all of the 2015 events there.

Little Red School House Meet – Recap Dunstable, MA - October 17, 2015

It was a cool and sunny fall day for our 3rd Annual Little Red School House Meet in Dunstable and the foliage was near peak color. The event has always been scheduled for the Saturday after Hershey meet as kind of a Last Hurrah for the old car season in this part of the country. The members of Tyngsborough-Dunstable Historical Society had the wood stove fired up, the coffee brewing and donuts available shortly after 8 o'clock in the morning. Although the meet was scheduled to start at 10 AM, the first participants began arriving shortly after 8 AM. We had a great turnout, more than double the previous year's total, due we think to good feedback from the previous two events and extensive flyer distribution.

We had some excellent support from other Antique Car clubs in the area including; the Thunderbird Club, the Mid State Antique Auto Club, the North Shore Old Car Club, NEMAC-North East Massachusetts Antique Card Club, the Autoneers Region of the Horseless Carriage Club of America, and the Yankee Ingenui'T' Chapter of the Model T Ford Club of America. We are very pleased that this meet is attractive to owners of early cars with a number of brass era cars present and also many cars from the teens, twenties, thirties and forties were on display. We had a very good turnout of spectators that appreciated viewing the early cars and many offered their amazement that they are still able to be driven.

The meet is a non-judged show but this year we offered one award chosen by members of the Bean Pot Region and the Historical Society. The award is in appreciation of the Larter family who have made many contributions to the town of Dunstable, that have done much to preserve its rural character. The Larter family donated the land where the 1790 Little Red School House now sits, after it was disassembled and moved up the road from Tyngsborough. The award is being made in memory of Edward A. (Ted) Larter, JR, who had a love of all things antique and mechanical, including Airplanes, Automobiles, Boats, and Motorcycles. Ted had an antique biplane that he owned and flew, hence the inspiration for the Little Red Airplane Award. The Award was won by a finely restored 1957 Thunderbird owned by a member of the Thunderbird Club.

We had many members volunteer their services in helping run the meet with traffic, parking, registration, and raffle duties. We also had a large number of members from the Historical Society volunteering their services with food preparation and tending the wood stove in the School House we could not do this meet without them. In addition, the ladies of the baking club with their fine cakes, pies and cookies deserve a big round of applause. Thanks to all who assisted in making this event a huge success. Lunch was made available by the historical society and due to the size of the crowd they were just about out of food by about 12:30. Take a

look at an extensive gallery of the School House Meet in the "Photographs" section of the club website.
