## President's Message

Thank you to everyone who attended our January meeting at Panera Bread in Dedham. I was so happy to see all of you. I appreciate you allowing me to serve as President of the Bean Pot Region AACA. I have to admit I was nervous following presidents Sam Gagliano and Bill Pappas, they both set the bar very high.

After January's meeting, I am excited about the clubs future. We have some fun events planned this year. Of course, we have our two staple events; Antique Car Day at Lars Anderson Museum, and the Little Red School House Meet in Dunstable. We are talking about having as many as three tours, and a club booth at the Xfinity Center for the Mansfield Swap meet. Among other events in the works are a club cookout and a number of mixed club shows including a show at the Melmark School in Andover. I am looking forward to seeing everyone at our Tech Session at 3D Printsmith on Saturday, February 20, 2016 in Allston.

*Doug Reinbold*

## ***Bean Pot Region Tech Session***

*A New Way to Make Old Car Parts*

*3D Printsmith, LLC*

*24 Denby Rd, Ste 211*

*Allston, MA*

*Saturday, February 20, 2016 9AM-10:30AM & 10:30AM-NOON*

Please join us for a fun and informative tech session on 3D printing, a new technology that car collectors like Jay Leno are using to make hard-to-find parts. Expert Sean O'Reilly, car enthusiast and owner of 3D Printsmith, will walk us through the basics of 3D printing.

Don't expect a dry PowerPoint slide presentation, however. This tech session will be very hands on, providing the opportunity to observe the tools of the trade and handle parts.

### **Registration is required by Sat, February 13, 2016**

Due to space limitations, we are limited to 10 attendees per session. If the 1st session fills up, then Sean has agreed to host a 2nd session from 10:30 AM to Noon. Of course, refreshments will be provided. Please contact Howard Loree by email at [howard.loree@alum.mit.edu](mailto:howard.loree@alum.mit.edu) or by **phone at 617-780-6334** to register by Saturday, February 13, 2016.

### **Directions**

3D Printsmith is located at 24 Denby Rd, Ste 211, Allston, MA. It is easily accessible via exit 18 from I-90 E or exit 20 from I-90 W. Follow Cambridge St. to Denby Rd. **Detailed directions from anywhere are provide on our website by Google.**

### **Parking**

There is plenty of free parking at the 24 Denby Road lot, and if needed there is overflow parking at the adjacent "MABHAB" building lot on other side of Denby Rd.

## ***General Membership & Planning Meeting - Recap***

### ***Panara Bread***

***797 Providence Hwy (Rte 1)***

***Dedham, MA 02026***

***Saturday, January 16, 2016 10 AM – 12Noon***

In spite of torrential rains on Saturday morning, we had a very good turnout of enthusiastic members at the meeting. Many items were discussed and voted on.

### **Meeting Highlights**

- ❑ Reduced membership dues for email delivery of the newsletter - this will be put into effect with the 2nd or 3rd newsletter of 2016.
- ❑ Planning committee was formed for a potential future national AACA meet circa 2018 we look forward to seeing an outline of their plans.
- ❑ We will offer pre-registration for Antique Day at the Larz Anderson Museum at the same rate as the first show in 2013
- ❑ It was decided not to have any vendors at Larz other than our meet sponsor, the East Boston Savings Bank
- ❑ We will pursue the official name change to the Bean Pot Region AACA with the national AACA that was voted on during the September 2015 meeting
- ❑ Calendar of events for 2016 was worked on including meetings, tours and shows.
- ❑ AACA Judge qualification details were discussed and we hope to get more members qualified as judges
- ❑ We plan to have a club presence at 2 early season shows to distribute Flyers for our annual Larz Anderson Show on June 5th and to promote the Bean Pot Region
  - ❑ Sunday, April 17th Fitchburg Early Ford V8 Club Flea Market and Car Show
  - ❑ Fri-Sun May 13 - 15 Mansfield 56th Annual Flea Market at the Xfinity Center
- ❑ A membership roster will be developed and mailed to members with their membership card - we plan to add vehicles owned by members to the roster so that members can contact other members with similar vehicles
- ❑ A black and white prototype of the club logo was presented with a positive reaction - work will continue with a color version - many thanks to member Jack Carroll for his outstanding design talents
- ❑ The Dunstable Little Red School House meet was a great success - we plan to add dedicated show spaces for single make car clubs at the 2016 meet

## *Classified – For Sale Wanted*

### **1933 Buick Help Wanted**

I'm looking for someone with good engine knowledge who can do a good 'go-over' of my 1933 Buick so that I can be confident that it runs well for tours and outings with the club. Now it has issues with idling, the cork float in the carburetor sticks sometimes, and it smokes after a while - terribly. Do you know of anyone in the area that I might be able to contact who could help me? I'm not necessarily looking for a Buick guy, but anyone with old engine knowledge. I'm in Billerica, but I do have a trailer to move it with. Any point in a good direction would be greatly appreciated! Thank you,  
David Spence, Tel 512-574-9766 Email [Spence.david@outlook.com](mailto:Spence.david@outlook.com)

### ***Bean Pot Region Membership & Dues***

At the January Membership meeting new dues were voted on. The 2016 Dues will remain at **\$30.00** for January 1, 2016 through January 1, 2017 for those who wish to continue to receive the Bean Pot News by US Mail. For those who wish to receive the Newsletter by email, the Dues will be reduced to **\$25.00** for the year.

It was also voted to create a membership roster that will list the vehicles owned by the member. **Members can opt out** of having their name listed in the roster. One of the benefits of listing the vehicles owned is that members can identify other members who have a similar vehicle who can mutually benefit each other. The Membership Roster will not be mailed and not published on the club website.

The current Bean Pot Membership Form is always available on the club website, along with a link to the AACA National Membership form. You can join the National AACA club online with a credit card as well as printing out the form. A recent addition to the Bean Pot website is a link to the AACA National online membership renewal page.

### ***Bean Pot Region Club Logo***

The new club logo is in the process of being finalized. We are taking into consideration the various uses and methods of producing the logo – Embroidery, Decals, Printed, Badges, Online, Color and Black & White etc. It should be finalized in the near future. A **draft version of the logo** is shown on the first page of this newsletter and on the membership application. **Note that this logo is not the final version, as some details still need to be worked out and modified.** We are very fortunate to have a very talented designer heading up this effort in Bean Pot member Jack Carroll.
