President's Message

Well another Lars Anderson show is in the books and unfortunately, Mother Nature did not co-operate. We still managed to have some beautiful cars show up and I hope you checked out East Boston Savings Bank's mobile office it was really cool. We truly thank and appreciate all East Boston has done for our show and club and with their help our next show will be better. More info to come on that.

We have a couple a cool events coming up. I am really looking forward to the July 23rd meeting at Steve Goodman's house. Steve is going to show us the video on the restoration of the GM Futurliner. I viewed it in the basement at the AACA Museum a few years ago as was amazed by it.

We are having a cookout at my house on Aug 20th, see details in the event section, this is for all Bean Pot members and Massachusetts National AACA members. The purpose of this event is to get together and enjoy ourselves and to introduce our club to fellow national members and see if they want to join us. Make sure you bring your spouses.

Doug Reinbold

Lloyd Graves Barn Yard Meet & Picnic North Hampton, NH - July 16, 2016

The Lloyd Graves barnyard picnic this year will be on Saturday July 16th. It is a free event, we call it a picnic so folks can bring their own food if they need it to supplement their own diets. Lloyd Graves our host for the picnic is providing pizza and beverages as well as desserts. In the past, folks have brought their tasty homemade goodies.

Lloyd opens his museum home for his guests to walk around and enjoy his antique clock collection, the ladies can use the house bathroom. The guys can use the unique outdoors home made facility. Most of the entertainment goes on in the auto barn and beautiful yard next to the car parking area. We will be joined by a few other car clubs the big field out back can be used for modern cars & trucks and a new antique car show off area. Lloyd will have a talk on his Award winning 1912 Ford Model T Torpedo Runabout. We will take a minute to salute the flag and to honor our heroes and old car guy heroes. This event is a North Shore Old Car Club event as well as a Bean Pot Region event. This is always a very enjoyable event – try and be there. Additional information including map and direction will be posted on www.beanpotaaca.com.

Membership Meeting- Steve Goodman's Garage 195 West Chester Drive, Canton, MA Saturday, July 23, 2016 - 9:30AM

Members may be interested in seeing a 45 minute video (time permitting) about the restoration of the GM Futurliner #10 completed by dozens of volunteers over six years. We can view it on the TV in the garage. You'll find a brief blurb below about the vehicle and the restoration below.

General Motors Futurliner #10

Futurliner #10 was one of 12 large dual-front wheeled display vehicles designed specifically for the GM Parade of Progress. The GM Parade of Progress and its crew of about 60 young men carried futuristic and inspirational exhibits to millions of people across North America from 1936 through 1956. This 1953 Futurliner, with 16-foot display doors on either side, was a perfect platform for static exhibits and live demonstrations of emerging technology.

The vehicle, donated to the museum by Joe Bortz of Chicago, was in disrepair. As anyone who has restored a vehicle can attest to, it was much worse than it looked – and it looked bad. A group of volunteers in the West Michigan area, began restoring the vehicle in 1999. With volunteer labor and countless donations of materials and money, the Futurliner was completed 7 years later.

This fascinating video contains some rare original footage of the GM Parade of Progress, the amazing Futurliners that carried a circus of technological marvel and wonder to communities across North America and the restoration of Futurliner #10.

Directions to 195 West Chester Drive, Canton, MA

From Route 93 South are get on Route 138 - Turn left onto Randolph St, - Turn right onto Westchester Dr. and Steve's house is the last house on the right.

Please note that family, friends, guests and potential members are always welcome.

Bean Pot Backyard Blast – Cookout

Reinbold's - 623 Mt Hope St - No Attleboro Ma 02760

Saturday, August 20, 2016 11AM

We are planning a cookout for Bean Pot members and Massachusetts AACA members on Saturday, August 20, 2016 with a rain date of August 27th. The Bean Pot Backyard Blast will be held from 11AM am to whenever at 623 Mt Hope St No Attleboro Ma 02760.

The driveway is partially dirt, hopefully it will be asphalt by August, parking on the grass for Antique cars Club cookout 11 am until whenever, Hamburgers, hot dogs, soft drinks, Dash plaques for the first 50 people, Raffles bags, On grass parking for Antique cars. Please feel free to bring deserts, salads or what ever you would like, All Bean Pot Region members are invited along with any Massachusetts National AACA Members.

Please RSVP by August 10, 2016 to Doug Reinbold at djr71@verizon.net or call 508 272 4151

Directions

Location 623 Mt Hope St No Attleboro Ma. 02760

- 95 South (toward Providence RI) Exit 5
- turn right off the off ramp
- at the 3rd set of lights at a Dunkin Donuts turn right, Mt Hope St.
- After the cemetery you will go up a slight hill, you will pass a gray colonial with a rock wall, the driveway will be on the right after a blue house. The driveway is between the blue house and two small white houses on one lot for sale. So far, everyone has found the house using GPS. There will be signs posted. The house is about 300 feet down the driveway.

New England Ride for Kids - Car Show

Bose Corporation - 100 The Mountain Road - Framingham, MA

Sunday August 28, 2016 8AM to 2PM Rain or Shine

Every day, 13 children in the United States get the news that they have one of the deadliest forms of childhood cancer. Motorcyclists help fund raise by participating in a Ride for Kids event. Donations benefit the Pediatric Brian Tumor Foundation's medical research and family support programs. Riders on all makes and models are welcome to attend. The Bean Pot Region of the AACA has been asked to coordinate a car show in conjunction with the Ride for Kids Motorcycle ride.

Cars in the show should be at the site before 9 AM to allow for viewing by the ride participants. The escorted ride starts at 10 AM sharp, rain or shine! The ride will loop back to the start point. At the event, a drawing is held for a new Honda motorcycle and other great prizes (you must be present to win). All participants receive free beverages, a light breakfast and lunch. You'll also get to meet your local Stars! Last year's event raised over \$40,000 for a very good cause. We were only able to provide them with a couple of cars last year due to inclement weather. This is a great group of people that deserves our support.

This event is open to all antique car owners, you need not be a member of the Bean Pot Region to attend. Call Bill Pappas at 781-799-9574 if you need additional information. Look at the website for map and directions.

Melmark NE Classic Car Show
461 River Road - Andover, MA
Saturday, October 1, 2016 10 AM - 2 PM
Rain or Shine

(Craft Fair & Bake Sale Begin at 9 AM)

Details of the Melmark NE Classic Car show are already available on the Bean Pot website including an event flyer.

The full details of the event will be published in the September 2016 issue of the Bean Pot News.

The Melmark NE School and we are grateful for the event's sponsor East Boston Savings Bank. EBSB's new mobile branch office will be at the show, be sure to stop by and see it.

4th Annual Little Red School House Meet
Tyngsborough-Dunstable Historical Society
Saturday, October 15, 2016 10 AM - 2 PM
(Rain Date Sunday, October 16, 2016)

Details of the Little Red School House meet will be published in the September Bean Pot newsletter. A flyer for the meet will be available on the Bean Pot website in the near future along with more information.

Other Interesting Events

Check out the Bean Pot website for further information on these other interesting New England old car events listed below and for a link to the MAAC Events List in the "Links" section of the Bean Pot website.

***Sam DeMarco's Grand National Winner -1937 Ford V8 Coupe
Susquehannock Region AACA
2016 Annual Grand National Meet
Williamsport, Pennsylvania - June 2-4, 2016***

The first Grand National Meet held within a day's drive of New England in quite a while was held at the Pennsylvania College of Technology Campus in Williamsport, Pennsylvania. The Susquehannock Region AACA hosted the meet and it was a huge success with approximately 450 AACA National Prize Winners on display. Bean Pot member Sam DeMarco from Lynnfield, Massachusetts displayed his 1937 Ford Coupe and won a Grand National Award. The next paragraphs are in Sam's words and describe his history with 1937 Ford Coupes.

I bought my first '37 Ford in Saugus, Massachusetts when I was 16 years old. Found it under an apple tree, buying it from a man named Richard Parker. My Uncle Arthur rebuilt the engine for me, and I had a lot of fun with that car. I sold the car when I enlisted in the U.S. Coast Guard, but always loved it. Fourteen years ago I found a shell of the very same model at the National Fall Meet Hershey, and have over the past years restored it to an AACA Senior Car.

Qualified to go to the AACA Grand National Show in Williamsport, Pennsylvania, the car was spectacular: out of 450 cars qualified to be there, it was the only 5-window coupe in the show. It received the Grand National award for Originality. If you look quick, you'll spot the car as an extra in a snowy parking lot in movie "The Finest Hours."

To view a complete list of Grand National Winners, go to the "News" section of the www.BeanPotAACA.com website.

Membership Note - Dues Update

The current Bean Pot Membership Form is always available on the club website, along with a link to the AACA National Membership form. You can join the National AACA club online with a credit card as well as printing out and mailing the form. A recent addition to the Bean Pot website is a link to the AACA National online membership renewal page. Half -year memberships are now available for the National AACA for \$18.00. Any **new member** joining the Bean Pot Region after June 2016 will also be a member for 2017.

4th Annual Bean Pot AACAA - Antique Car Day – Recap
Larz Anderson Museum - 15 Newton Street - Brookline, MA
Sunday, June 5, 2016

Most really good suspense stories or novels usually have a back drop of thunder, lightning and rain. Those of us who get involved in planning car shows know the suspense is almost always tied to about the same thing. Bad weather and good attendance just don't mix because we all know what it takes to clean up a show car after a drive in the rain or wet muddy fields. Well - the Larz Anderson show had plenty of suspense tied to it last Sunday morning as the clouds rolled in and the sky darkened. For our museum show hardened work crew the question was **"No - it can't rain again this year"!**

The suspense was over at 8:00 AM. It rained - and hard. Thankfully, there wasn't any lightning or thunder but the amount of rain easily made up for that.

East Boston Savings Bank made a big hit with their new mobile bank branch. As usual they had it staffed with a dozen or so people and within 30 minutes had a fully operational banking branch that included teller and ATM service right on the Museum lawn. For those of you who didn't make the show you missed the EBSB's biggest "freebie" table" ever. Visit them at www.EBSB.com.

Even though the weather may have stunk (is that politically correct?) it was the catalyst for a lot of members and friends to huddle in a tent or shelter and start the car experience AKA "war" stories going.

If you add that up with the great displays inside the Museum (featuring Porsche, BMW and Motorcycles) it was a fun day and a great day to socialize with good friends. Our thanks to the attendees and super thanks to the members, EBSB, and friends that worked to make this event the success it was. - Sam Gagliano

Look at "Photographs" on www.beanpotaaca.com for pictures of the Larz Meet.
